Yvonne Mnyazi Katama

Entry-level UI/UX Designer

Yvonne Mnyazi is an artistic and creative designer passionate about creating seamless user experiences. With an eye for graphics, typography, layout, and color, she loves building functional software and mobile products infusing modern aesthetics using Figma, Framer, and Adobe Illustrator to wireframe and prototype designs. She is also able to develop both static and responsive landing pages using HTML/CSS and JavaScript. Her collaboration and teamwork skills have enabled her to work on projects such as Zuri Galore a blog website that makes it easy for young girls to blog topics. She's currently looking for a position as a UI/UX design intern where she'll be able to nature her skills.
